

# UNLOCK A WORLD OF POSSIBILITIES.

## DELIVERS

an all-in-one, customizable, online education and career planning experience.

## SERVES

all secondary students, grades 6-12, their parents, and educators.

## PROVIDES

proven tools to help students visualize their futures — and make the plans to get there.

## Expert guidance to dream big, plan accordingly.

With **Kuder Navigator**, students complete career assessments to uncover personal insights. But that's just the beginning: they'll also create education plans, learn real-world skills, and envision their future goals. It's their world, and we're here to help them explore it.

## FEATURES & BENEFITS

### Establishes

a solid foundation for career planning based on reliable and validated career interests, skills, and work values assessments.

### Builds

a framework in which students can explore careers, find and pay for college, develop education plans, and prepare for work — **now in English and Spanish.**

### Includes

a comprehensive toolkit of resources to create resumes, write cover letters, save work samples, and more — all shareable via an e-Profile.

# 80%

of **students**

say Kuder motivates them  
**to stay in school.**

### Empowers

parents to play an active role in their child's lifelong career planning, approve plans, and more.

### Ensures

successful implementation with student-centered lesson plans for the classroom, as well as the *Direct Your Future™* curriculum — ideal for career development courses.

### Streamlines

educational planning and college success with new features including account provisioning and single sign-on capabilities, test prep tools, application and transcript features, and more.

### Tracks

data for individual progress and high-level trends, accountability reports, communicating with users, and quantifying program success.

### Engages

all key stakeholders from education to economic development.

“We swear by and use Kuder Navigator in [our] School-to-Work program. Navigator is an important and integral part of our district's preparation of students for college and future careers.”

**Mindi Heitland**

School-to-Work Program Coordinator  
Waukee Community School District  
Waukee, Iowa
