

## REGISTRATION

Please follow the instructions below to begin using Kuder Navigator® – an all-in-one online education and career planning system that helps secondary students visualize their futures – and make the plans to get there.

- Go to
- If you have been instructed to login with Clever, select the **Log In with Clever** button and search for your school to login with your school username and password.
- If you do not use Clever, click on the **Create an Account** button and select **I am a student**.

Complete the four step registration process.

During registration, you will be asked to enter your Navigator Activation Code (N-Code), which may be provided below.

**Activation Code:** \_\_\_\_\_

You will create a username and password and set a security question and answer. Write your username here for future reference:

**Username:** \_\_\_\_\_

Click **Sign Me Up** to complete the process.

## USING THE SYSTEM

Once you have created your account, you will be directed to your home page. Begin by taking an assessment, the first step in the education and career planning process. You can also use the navigation menu to access the options under “Things to Do” and “My Portfolio Items”.

Don’t forget to check your messages, **My Next Steps** list, recommended links, and account settings.

## LOGGING IN

To re-enter your account, go to Choose to **Log In with Clever** or **Log In** and enter your username and password.
