

HELP THEM EXPERIENCE SUCCESS

DELIVERS

an all-in-one online education and career planning experience for your student.

SERVES

all Arkansas students in grades 6-12, their parents, counselors, and educators.

PROVIDES

access to review graduation plans, assessment results, and more.

Help your child dream big, plan accordingly.

As parents and family members, you play an important role as your child progresses through the education and career planning process within **Kuder Navigator**. The system, available through your child's school, helps students visualize bright futures — and make the plans to get there.

FEATURES & BENEFITS

 **Guides**
involvement in your child's education planning and career development journey.

 **Empowers**
students to search and compare colleges and careers, create graduation plans, explore financial aid opportunities, and build resumes.

 **Presents**
opportunities for meaningful education and career path discussions to help children plan for bright futures.

 **Includes**
a dashboard where you can view your child's work and progress, as well as resources to approve plans and engage in the process.

Approved!

The Arkansas Department of Education has identified Kuder as a vendor able to meet state-mandated college and career planning requirements.

 **Adapts**
to tablets and smartphones to meet students where they are – 24/7.

 **Aligns**
occupational information to student's career interests, skills confidence, and work values assessment results.

 **Prepares**
students for options after high school and provides post-graduation access to online career portfolios.

“Kuder’s goal is to provide Arkansas school districts with an excellent choice for empowering students with career readiness.”

John Milroy
