

## A Work-Based Learning Solution for All

**Connect 2 Business (C2B)** is a work-based learning platform that engages students, educators, and local employers to provide meaningful hands-on work experiences. With C2B, students explore their career interests while also developing vital skills to support our future workforce.

### BRINGING CLASSROOM CAREER CONCEPTS TO LIFE

#### STUDENTS

Gain experience aligned to their career interests and develop in-demand skills from work-based learning opportunities.

#### EDUCATORS

Streamline the district's work-based learning program and ensure accurate reporting tailored to meet state requirements.

#### BUSINESSES

Engage local businesses to promote open opportunities among students who are eager to learn and expand their skills.

Connect 2 Business is the perfect tool to realize that vision of making sure that every young person has a chance to 'try out' his or her career in business or industry through extended learning opportunities.
